Beam:	8' 6"
Weight (hull only):	2155 lbs.
Fuel Capacity:	24 gals.
Maximum HP:	300 w/ triple toon

station is framed by the classic forward wraparound couches and port-aft L-couch configuration with removable dinette. The sundeck at the transom is large; conversion to a stand-up changing room is just a pop-up away. There's storage all around in the seat bases.

If your crew is action sports-oriented, add a ski/wakeboard package and third 'toon for extra power and performance. Kick up your range with the 38-gallon fuel tank upgrade or set up for fishing with the optional livewell.

This plush Veranda is set securely on a 25-foot, all-welded foundation. Sink into the 33-ounce exclusive vinyl upholstered chaise couches with lumbar support, flex your toes in the lush 28-ounce carpet, and unwind as the cool breezes of the lake bathe you

in vacation bliss. Crank up the party with the four-speaker AM/FM/CD stereo, add LED mood lighting, then catch some rays on the spacious bow deck or take the plunge from the rear platform (which includes a boarding ladder). The captain will delight in

the simulated, burlwood-accented tilt wheel and functional dash that's complete with all the gauges. The deluxe captain's chair says it all, with its high, reclining back, adjustable arms and headrest, all sheltered by the generous Bimini. The helm
